Third year of payment for the plow truck \$4K

They need 2 50ft rubber hoses and nozzles to water plantings

Mowing quote beside Memorial Day can it be into the quote to include weed whipping around head stones once a month in June, July and August.

They would like to mulch around the trees along the drive, but need it weed whipped to do so.

It was asked if Christmas trees could be set up during the holidays and what would the height restriction be. Patty suggested no more than 6 inches above the head stone or NO more than 36 inches. Patty asked when people are supposed to remove there items at cemetery and do we notify them. Mayor said Chelsea puts it in the paper and Mantua Matters in the fall. She will have John Trew direct the guys to remove anything seasonal that is still there.

Marty Fergus asked about the GIS mapping for the Cemetery. The Mayor said it is on hold until some others things get handled.
