**Re: *Buchert Park Trail Improvements – Phase 2  
Quote Results***

Dear Mayor and Council Members:

A quote was received for the above referenced project on July 17, 2020 and attached you will find a copy of a tabulation of the Quote for your review. The Base Bid is \$17,262.82 for the work in the Park and the Alternate is \$3,115.48 for the work in the R/W.

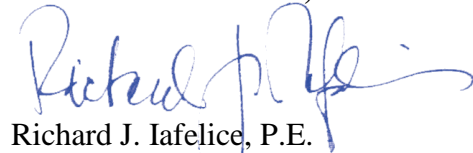

We have reviewed the quote from Todd Lamb Paving and Excavating of Mantua, Ohio and found it to be in conformance with all contract requirements. It is our opinion that they are experienced and qualified to perform the work within the contract. This firm has performed multiple paving projects in the Village including the Park Phase 1 and the SR 44 Connector project.

For additional budget information, please refer to my project summary of 7-17-20.

Should you have any questions or require additional information, please feel free to contact our office.
