Mayor brought up about DMRC and the Nature works grant that now CT is working on it.

Marty advised/showed the design proposal for the "Flag Pole" from Ct that DMRC committed \$300.00 to.

Mayor said we need to clean up Buchert trail. We need to get a license renewed to spray. Lisa said try Portage Parks maybe they could help us out, as they are licensed. Mayor said she would check with Bruce.

Marty has offered to donate 1000 ft. of cattle fence for the dog park

Greg B addressed parks about the Western Reserve Grant the Rotary received and wants to update/grade 2 kiosks one on Matts Rd and Line St and one in the Park area 1 side P.P. and the other Village. We advised Greg that what they have looks great. Have Mr. Zabor from Rotary come to us. But, we may be having an agreement with Portage Parks and they may be the one to speak to for final approval, it just depends on when our agreement with P.P. is finalized.
