

Parks Meeting

May 2015

Meeting called to order at 6:33pm by Marty Hura

Members Present: Ashlee Hawkins, Marty Hura, Randy Weaver, Giles Seith, Don Buchert

- ❖ Motion to accept the minutes made by Randy, 2nd by Don-**All Ayes**

Marty said that the merry go round is in and would like to see much put in around it for safety. Marty said that it was mentioned to him about possibly getting a new metal slide for down at the park. He said that he looked on line and found one that was 10 ft. tall but did not know the price.

Ashlee brought up possibly raising the fee to rent the lodge. She said that we don't make any profit on the lodge and went over some numbers. Marty said that it was not meant to make a profit. He also said that past village administrators have told him that we need to side the lodge but he is not sure if that needs to be done now that there is a new roof. He said that he would rather see new things being put in for use instead of siding the lodge. Don said that he would rather see new fencing put in down at the park and Randy agreed. It was decided to keep the current rate for the lodge.

Marty said that John Clark is going to look at the price of electric for down at the park to see if we should be getting a discount. Marty also stated that if we have the money, we may have to get a new fridge for the lodge.
