

Parks Meeting

May 16. 2012

Members Present: Marty Hura, Don Buchert, Linda Schilling, Patsi Gast, Kristen Welker and Mayor Linda Clark

Called to Order: Marty called the meeting to order at 7:10 p.m.

Old Business:

Approved minutes from February, March and April 2012.

Linda S. and Linda C. reported that a total of 19 benches will be needed, (11 on Main Street, 2 for the cemetery which will be painted green, 4 for the Mini Park where 4 are already in place, plus 2 more?)

The benches have already been power washed and are ready to be painted... this will be done by volunteers hopefully before next Saturday so that they may be placed appropriately with in the Village before Memorial Day.

Marty stated that the pipes are wrapped at the Lodge.

Linda C. reported that the "pond" has been cleaned and is ready to paint. The antique statue of the boy and girl will then be temporarily put in place until a cement statue is purchased... donations will be needed.

Marty stated that the Lodge painting (inside) has been completed by Sherry Horvath. She did a great job not only painting but fixing/sanding areas in need. A large thank you to Sherry as she donated her time to complete this work.

Patsi asked Linda S. if she would take the three hanging baskets (which were given to Linda S. along with the large hanging baskets) to Pochedley's so that they could be planted with the same flowers as the large baskets. The Garden Club will pay for these three small baskets.

Linda S. said she still has no prices on siding. We are waiting on written estimates from two companies per Anthony.

Regarding the Information Board by the Park entrance...Marty stated that Charlotte Baumbeck will be making the signs for Pat Oster.

New Business:

Patsi reported that the American Legion folks were using the kitchen facilities plus walking through to use the bathroom facilities during the time the Lodge was rented for a party by Tammie Habbyshaw. Linda S. said this is not the first time this has been reported and that it is definitely wrong of them when someone has paid for the use of the Lodge. There are outside entrances for the bathroom that could be used by Legion folks. The kitchen should be off limits during the time of rental.

Linda S. stated she would attend the next Legion meeting to address this issue.

Marty will compose a letter addressing this issue also.

Linda C. asked if new blinds could be purchased for the Lodge, possibly new valances also. It was voted by all to get this done. Linda C. said she would check at the Dollar Store.

Linda C. said she checked with Marshall's regarding stripping the Lodge floor but they don't do that. Nor did person from KSU. This will be tabled for the time being.

Meeting was adjourned at 8:00 p.m.

Next meeting is June 20, 2012
