

Parks Meeting Minutes

October 17, 2018

Meeting called to order at 6:30 p.m.

Members present: Lisa Z., Marty H. Don B.

Others present: Mayor Clark, Sue Steinberg, Steve Zabor

Motion to excuse Ashley and Scott by Marty second by Don all yeas

Motion to approve the September minutes: NO minutes Scott has them

Old Business

Dog Park- Mayor and V.A. have not had time to work on that project. But will get new estimates and speak with Buckeye and DMRC about their donations and get this thing going in the spring.

Mini Park still not complete. That was why we had asked for a time frame to get it done.

Directional Signs- Steve Zabor has a Glacial sign to be put in at the SW corner at Aetna Plastics. Told Steve we need a letter from Aetna granting permission first. He is to email it to us. There is also a sign to be put on Line Street at the East entrance to the Headwater Trail with Glacial directions. Steve also asked if in the Glacial Park can they plant some trees and put in new picnic tables and benches. He was told to contact John Trew with the plans.

Steve then asked: The Rotary Club are the one who put up the #1 pavilion 50 plus years ago at Village Park and they are thinking about fixing it up and who do they need to speak to. He was told to contact John Trew the V.A. Possible rewiring and lights maybe picnic tables.

Mayor said that she knew that the Chief has new estimates for the cameras, but they haven't connected about that since she got back from vacation.

Mayor informed Parks that she and the V.A. have been working with the ball teams on the North side of High. They are bring in 50ton of ball field dirt to fix the fields that the Potato Festival messed up and didn't fix and to extend the base line on the field furthest north.

Motion to adjourn at 7:15
