**Village Administrator's Report**

The High Street Bridge project is running close to schedule. The crew is hoping to open the bridge between Dec 10th-15th. Peck Road will probably be closed until about the same time.

Leaf pick-up is well underway. We will be picking up weekly until the weather turns. As in the past, we will not pick up plastic leaf bags.

We sandblasted and painted the Freightliner. Butch is building a new headache bar for the truck. He is also doing some welding on the plow frame and plow. We will then sandblast and paint each plow and plow frame. We are trying to keep these operational beyond their normal life.

**Review of Legislation**

None to review

**New Business**

- Salt Contract with the City of Ravenna – Ravenna would like to get all participating communities to sign an agreement for participation in the salt contract.
- DERG grant – We applied to get the Sterling replaced. Results should be announced in January or February.

**Old Business**

- Special recognition signs – Paul is working on a design for the display.
- County negotiations on W/S – nothing new to report.

**Anything else that may properly come before this committee**

**Adjournment**

\*Motion to adjourn at 7:15pm was made by Councilman Bill Zoller and seconded by Councilman John Clark. All voted aye.
