Motion to approve the minutes by Scott, second by Lisa all yeas

Mayor advised that she has sent letters to Middlefield for the gift card for first prize, and sent one to McDonald's for coupons for the third graders. She also contacted the school and the date that worked for them is MAY 3, 2019 from 9 to 9:30. Ashley needs the Mayor to contact schools to get the students names for the certificates of participation.

Scott asked how much the tree are going to be. Mayor said she will check.

We have to remind Don to contact Doyle

Scott asked about the trees that have been scheduled to come down. Mayor said they got the ones on Oak and by Mr. Parks, but not the one in front of Frost. They seem to want to call the night before or just show up. John Trew advised them they need to give us 48 hours' notice, because of all the parties we need to contact. Scott said we will need to rethink before we give them a bid again.

Motion to adjourn ad 7:25
