Ashlee said that she would call Eddie Benner about the trees that she had that were going to be donated to go on the south side of the village down by the businesses. The businesses said that they did not want them there so council decided to go with the business owners. Ashlee is to find out if the trees would still be available to plant elsewhere.

Ashlee said that the tree on Franklin St. has been taken down and now it looks like the one next to it needs to come down as well. She asked members present to take a look at the tree and will decide at next meeting if we should recommend that it comes down.
