❖ Motion to accept the minutes made by Don, 2<sup>nd</sup> by Ashlee-**All ayes**

Ashlee talked about the tree that needs to come down on Franklin St. which was mentioned last month and also about a tree that was brought to her attention on Maple St. She showed pictures of both trees in question and it was recommended that Ashlee contact the Village Administrator Kate about coming down.

Wes talked about making the tree lawns look nice after the trees are taken down and Ashlee said that Enterprise can reseed the lawn but there is an extra cost in doing so. Wes suggested that we build that into the cost of taking down the tree.

Wes said that he has seen other towns that have little plaques on some of the trees that say what kind of tree it is and suggested that we think about possibly doing that here in the Village.

❖ Motion to adjourn at 7:28 made by Ashlee, 2<sup>nd</sup> by Don-**All Ayes**
