CHAPTER 1

INTRODUCTION AND GENERAL EMPLOYMENT CONDITIONS

Section 1.1 INTRODUCTION AND PURPOSE OF POLICIES

This Employee Handbook ("Handbook") contains policies for the employees of the Village of Mantua ("Village"). The Handbook is a guide to be used by the Mantua Village Council ("Council") and managerial employees to ensure uniform and nondiscriminatory application of the conditions of employment.

The Village Council reserves the right to change practices and policies, both written and unwritten, as business requires. Amendments to this document shall be by Ordinance properly considered and passed by Village Council.

The policies contained in this Handbook are subject to and in accordance with the laws of the State of Ohio. In the event there is a conflict between this Handbook and any other applicable law the applicable law or legal document will prevail. In the event that future legislation invalidates or changes any of the provisions contained herein, the balance will remain in effect.

In the event of conflict between this document and any other Handbooks, Manuals, or other policies in effect for Village employees, this document shall prevail.

Nothing in this Handbook nor any interpretive or enforcement communication should be construed to grant a guaranteed right to continued employment or benefits. This Handbook is not an employment contract. Employment with the Village is not for a fixed term or definite period and may be terminated at any time by either the employee or the Village according to law.

The policies stated and adopted within this Handbook and the communications interpreting and enforcing them supersede all previous policies and communications, written and unwritten.

Section 1.2 MANAGEMENT RIGHTS

The Village Council and/or the Mayor maintain the ultimate authority to interpret and administer policies and direct the operations of the Village.

Section 1.3 SCOPE OF COVERAGE

These policies apply to all employees of the Village. Policies do not apply to elected officials, except when explicitly stated within a specific policy.

Section 1.4 FAIR EMPLOYMENT PRACTICES

All employees are entitled to equal employment opportunities and no employee or applicant will be discriminated against in employment decisions because of race, color, religion, creed, age, sex, sexual orientation, national origin, ancestry or qualifying disability that can be reasonably accommodated.

CHAPTER 2

RECRUITMENT, SELECTION, APPOINTMENT

Section 2.1 **RECRUITMENT** *(Amended Ord. 2020-14, eff. 4/21/20)*

- A. Except as provided in subsection "D", below, when the Village Council approves a new position, the position will be posted in the Village Hall and all other departments for a period of (7) consecutive business days. Each job posting will specify the qualifications, essential functions of the job, pay range, application procedure and deadline for applying.
- B. When a vacancy occurs in a position which has previously been authorized by Council, such vacancy shall be filled pursuant to the appropriate procedure as set forth in Section 2.4.A, APPOINTMENT – DEPARTMENTS.
- C. Positions may be advertised in area newspapers. Management and professional positions may be advertised in newspapers with regional circulation, professional journals, newsletters and the Village's website.
- D. When a Department Head determines that a current employee of the Village should be promoted to a newly-created position, such position need not be posted as required by Section A, above, but may be transmitted directly to the Village Council for approval upon the recommendation of both the Department Head and the Mayor.

Section 2.2 **SELECTION**

- A. A current or prospective employee must complete the Village job application form in order to be considered for a position or vacancy. An applicant for a position that requires a license must present the license for verification.
- B. The Mayor and/or appropriate Department Head will review applications and interview selected candidates. A fully qualified, current employee will be given first consideration for transfer or promotion to a vacant position, provided he/she applies during the application period and meets the requirements set forth for the position. Applications submitted after that date may be considered along with outside applicants. Qualifications, not length of service, will be used to determine internal transfers or promotions.
- C. Reference checks, background checks where required by law and job related testing procedures, may be conducted. Any job-related employment tests will be administered in an objective manner. If an individual has a qualifying disability, the test will be administered in a manner that ensures the results reflect the skills, aptitude or other factors to be measured. Only job related skills will be evaluated.
- D. An applicant shall be required to demonstrate their capacity to fulfill the requirements of the job.
- E. Employment recommendations are subject to Section 2.4(A).

Section 2.3 **EMPLOYMENT ELIGIBILITY**

A. DRIVING RECORD CHECK

- 1. Driving record checks will be conducted for current employees or applicants who must operate a Village owned or personal motor vehicle as a regular function of the job. All employees and prospective employees must report any and all traffic citations carrying points.

- a. The Bureau of Motor Vehicle Report (MVR) will be requested for each current employee who drives as a regular function of the job and the MVR will be screened at least annually by the Village's motor vehicle insurance provider to confirm each employee maintains an acceptable driving record.
- b. The MVR of an applicant or current employee will be reviewed against the following criteria to determine if the individual can be permitted to operate a motor vehicle on Village business. An unacceptable driver is defined as one whom, during the previous (3) year period, while driving
 - c. either a Village vehicle or a personal vehicle for Village business, or a personal vehicle for personal purposes, has received:
 - (1) A conviction for (1) of the following:
 Drag racing; Reckless operation; Permitting an unlicensed person to drive;
 Driving while under the influence of alcohol or drugs; Vehicular homicide;
 Leaving the scene of an accident, if the accident resulted in personal injury or death; or

 - (5) Three (3) moving violations for which a total of more than (6) points were received.
 - (6) Any combination of (1) chargeable or "at fault" accident and (2) moving violations.
- c. The Village's automobile liability insurance carrier will determine that the applicant or current employee presents a liability risk for the Village. Liability risk is a factor that may be used to determine whether an employee is approved to drive Village vehicles.
- d. Current employees that have been approved to drive Village vehicles or personal vehicles on Village business, must notify the Department Head who shall notify the Fiscal Officer and Mayor of moving violations or "at fault" accidents within (5) working days of an offense, violation, conviction, suspension or cancellation of Driver's License.
- e. Classification as an "unacceptable driver" is grounds for disqualification of an applicant under consideration, loss of ability to drive Village vehicles, disciplinary actions including transfer or discharge of a current employee.

B. QUALIFICATION VERIFICATION

- 1. An employee in a position requiring an educational degree certification or a license will have his/her qualifications verified at the time of employment. However, any requirement for Service Department employees to obtain a Commercial Driver's License shall be left to the discretion of the Village Administrator.
- 2. Failure to maintain a current required license or certification may result in disciplinary action up to and including discharge.

3. Obtaining or renewing any license, registration or examination required by the job description for any position held is the responsibility of the employee. (*Amended Ord. 2016-57, eff. 12/15/16*)

C. PROOF OF LIABILITY INSURANCE

Proof of liability insurance with limits sufficient to comply with Ohio's Financial Responsibilities Law (Bodily Injury Liability: \$12,500/\$25,000 Limit; Property Damage Liability: \$7,500 Limit) must be submitted to the Department Head, who shall notify the Fiscal Officer, by any employee who must drive his/her private vehicle as

a regular function of the job or who receives mileage reimbursement for traveling on Village business. This proof must be submitted at hire and on an ongoing basis. Failure to provide proof of liability insurance may be grounds for discharge of a current employee or disqualification of an otherwise successful applicant, if driving is an essential function of the job.

D. MANDATORY TRAINING REQUIREMENTS

An employee who holds a position that requires continuing education or training must meet such requirements in order to remain qualified for the job. (See Section 6.1 DEVELOPMENTAL TRAINING)

After the probationary period, pursuant to Ohio Revised Code 737.17 the Mayor shall transmit to Village Council a record of the employee's services with recommendation to remove or finally appoint the employee. Prior to initial appointment, all such officers must submit to and pass a physical examination at the cost of the Village, pursuant to Ohio Revised Code Section 737.16.
3. Auxiliary Police: The Mayor shall make all appointments and removals of auxiliary police officers, subject to any general rules prescribed by Council. Auxiliary police officers serve no probationary period and have no statutory right to continued employment. See Village of Mantua Codified Ordinances Chapter 139.01.

8. Acting Department Heads: In the event of position vacancy, temporary leave or other extended absence of a Department Head (Police Chief or Village Administrator), the Mayor with the advice and consent of Council may appoint an interim or acting Department Head until such time as the current Department Head returns or the position is filled.

B. PROBATIONARY PERIOD

1. A newly appointed or promoted employee will be closely evaluated by the Department Head during the first (6) months of employment (the "probationary period").
2. During this probationary period, the Department Head will assist the employee in developing his/her job skills and determine if the employee should continue in the position.
3. The Department Head shall recommend to the Mayor retention of only those employees who meet acceptable job performance standards during the probation period.

C. APPOINTMENT OF RELATIVES *(Amended Ord. 2022-50, eff. 7/20/23)*

It is the Village's policy to employ the best-qualified people, based on competence. However, careful consideration must be given when employing persons who are related by blood, marriage, romantic involvement or general influence, to prevent inappropriate working relationships from arising in the workplace, to maintain the objectivity of supervising, to avoid situations where potential conflicts of interest could occur, and to prevent the appearance of impropriety to the public. Applicants should disclose such relationships prior to their employment or transfer.

The Village of Mantua may not hire individuals who have relatives who are employees of the Village of Mantua. Employees shall be defined as all full-time employees and all part-time employees, consultants, members of the Village Council, and members of council-appointed bodies having direct oversight on expenditures. Persons involved in husband/wife, parent/child, parent/child-in-law, first cousins, aunt-uncle/niece, aunt-uncle/nephew, siblings, grandparents/grandchild relationships, and members of the same household, as defined by the United States Census Bureau, shall be considered relatives for the purposes of this regulation. It shall be incumbent upon applicants to make known such relationships. The Council reserves the right to make decisions concerning the hiring of relatives on a case by case basis.

It is important that village employees guard against relationships which might be construed as evidence of favoritism, coercion, unfair advantage, or collusion. Although the Village of Mantua has no prohibition against people in these relationships working together, we are committed to monitoring situations in which related persons work in the same area. In the case of actual problems, reassignment to another task or position may be necessary.

1. Exceptions:
 - a. Existing Appointments;
 - b. Appointments where neither individual involved is employed in a supervisory or management position and where neither individual involved, or the work performed, or the employment of either individual is or may be directly influenced by the other individual. The determination of such influence shall be at the discretion of the Council. To be eligible for this second exemption, employees must make application to the Council prior to any event, which would require exemption to allow continued employment. Failure to notify may result in the discharge of both parties.

D. PROMOTION

1. A current employee will be considered for promotion to a vacancy only when he/she is determined by the Department Head to be fully qualified. The Department Head shall recommend the promotion to the Mayor. The Mayor shall transmit his/her recommendation to Village Council for confirmation of appointment. See also Section 2.1.C
2. An employee who has been promoted to a higher position will serve a probation period as defined in Section 2.4 (A).
3. An employee may be returned to his/her former position and rate of pay if work performance, behavior and/or work attitude is not satisfactory.

E. TRANSFER

1. An employee is considered to have been transferred when he/she is properly trained and assigned to a different position.
2. Transfers will be made at the discretion of the Department Head.
3. The needs of the Village take precedence over the wishes of an employee.
4. The Village may initiate a transfer if the transfer would be in the best interest of the Village, or when an employee with a qualifying disability can no longer perform the essential functions of his/her current position.

F. DISABILITY RELATED REASSIGNMENT

1. When an employee with a qualifying disability becomes unable, even with reasonable accommodation, to perform the essential functions of his/her position, he/she may request in writing a reassignment to a vacancy in an appropriate position. The employee will be reasonably accommodated in the appropriate position if a vacancy exists.
2. An employee reassigned due to disability will have his/her pay adjusted to a level within the pay range of the reassigned position.

Section 2.5 **EMPLOYEE EVALUATION SYSTEM**

1. Evaluations. Each employee will be evaluated at the completion of the probationary period and, from that point further, at least once every year. Such evaluation shall be in writing and carried out by the employee's supervisor and placed permanently in his or her personnel file. All such evaluations shall be shown to the employee being rated and discussed thoroughly with him or her.
2. Performance ratings. The Council may establish a system of service ratings based upon standards of performance. Such standards shall measure the quantity of work performed, the manner in which such service is rendered, the faithfulness of the employee to their duties, and other such characteristics that may measure the value of the employee to the Village. Performance ratings shall be considered in determining salary increases and decreases within the fixed limits of the compensation plan, as a factor in determining order of layoff, and as a factor in determining the demotion or dismissal of an employee. Such service ratings shall be available for review by the employee rated.

The performance of Department Heads serving Full-time on-site shall be reviewed annually or more as needed as determined by the appropriate committee, no later than November 1st each year by the designated Council Committee representing their department (as codified in Village

of Mantua Codified Ordinances 121.03, Article XI(1), Council Rules - Committees). The Mayor shall perform a separate and distinct written evaluation of the Village Administrator and Police Chief. The Mayor shall also perform an annual written evaluation of the Zoning Inspector.

Department Heads or their delegates shall be responsible for the performance of all employees within their departments.

Section 2.6 **PERSONNEL FILES & RECORDS**

A. Pertinent Information

The appointing authority shall create, or cause to be created, a personnel file for each employee of the Village. Such file shall include the original application and the notice of appointment in addition to other information that may be pertinent. The file of each employee shall be maintained by their Department Head and shall be the official personnel file. The files of the Department Heads shall be maintained by the Fiscal Officer.

The Fiscal Officer shall keep on file all personnel wage and benefit records this shall include Holiday, Vacation, Sick leave and Comp time paid, used and/or earned. The Department Head shall furnish the Fiscal Officer accurate information to make certain that this information is correct and current. Also in this file shall be a copy of any permits, special licenses, training or any thing which entitles the employee additional income in wages or bonuses.

B. Accessing Files

Access to the personnel files shall be in accordance to the Ohio law regarding public records. Information required to be kept confidential shall be redacted in the event of a public records request. An employee whose file is the subject of a public records request shall be informed.

C. Updating File

It is the responsibility of the employee to initiate any needed changes. An employee's education, training and experience background information are important factors in the promotion procedure. These items should be reviewed by the employee periodically to be sure they are up to date. Also, the employee should notify the Department Head and Fiscal Officer of any changes in marital status or dependents as they may relate to insurance coverage. Any changes shall be filed on the Employee Update Form (APPENDIX N).

A log is maintained by the Department Head for each vehicle and its corresponding fuel card, and for each purchase the following information is entered:

- Date
- Employee Name

- Vehicle ID
- Odometer Reading
- Gallons purchased

Each vehicle log shall also set out the following vehicle information:

- Date placed in service
- Fuel tank capacity
- Average miles per gallon
- Type of Fuel used

For each fuel purchase, the employee shall turn in the receipt and complete the log information required. The Department head reviews the log on a monthly basis (at the time the bill is presented by the Fiscal Officer) to confirm accuracy and completeness, to reconcile the log with the information provided on the bill (which sets out the vehicle and employee ID and fuel purchase information) and further to identify trends in the data and investigate any anomalies.

Misuse of a fuel card shall be treated as Misuse of a Credit Card as set forth in section 4.9.G, above.

CHAPTER 5

A. Each full-time employee, as defined in Section 3.1.A.1, is entitled to insurance benefits as provided in other ordinances. Effective January 1, 2008 all full-time employees receiving insurance benefits will pay a 5% cost sharing on the premium. Insurance benefits include:

1. Group medical insurance for employee and dependents
2. Prescription Drug Program
3. Dental Insurance
4. Term Life Insurance of not less than Ten Thousand Dollars (\$10,000).
5. Vision

For a complete description of insurance benefits, please contact the appropriate Insurance provider.

A full-time employee eligible for these benefits may choose to "opt out" of any or all of the available coverages, and in so doing shall be exempt from the 5% cost sharing for the particular benefit(s) declined.

If an employee fails to pay the cost sharing portion of a desired benefit, that coverage shall be terminated.

B. Part-time employees and elected officials who work at least 30 but less than 40 hours per week are eligible to avail themselves of the various components of the Village's insurance program, however, cost sharing of insurance premiums is not available to part-time employees and part-time elected officials. Elected officials and employees working at least thirty but less than forty hours per week desiring to obtain Village insurance benefits are required to pay 100% of the relevant monthly premium through payroll deduction.

Section 5.2 **VACATION** *(Amended Ord. 2013-57, eff. 7/16/13)*

A. Permanent full-time employees only shall be granted vacation leave with pay at their regular rate of pay. Vacation leave shall accrue as follows:

<u>Length of Service with the Village</u>	<u>Accrual Rate per Pay Period</u>
Up to Ten Years	3.08 hours
Ten Years or More	4.62 hours
Fifteen Years or More	6.16 hours

Additionally, full-time employees hired prior to 1995 only shall accrue additional vacation time as follows:

Twenty Years or More	7.69 hours
Twenty-Five Years or More	9.23 hours

Existing full-time employees as of July 1, 2013 will begin to accrue vacation at the above rates beginning January 1, 2014, as their full vacation award for 2013 has previously been granted.

Accrual at a higher rate shall begin with the next pay period after the employee's start date anniversary, as appropriate.

- B. The Village of Mantua does not consider employment with other State agencies when computing Length of Service for vacation accrual. Vacation leave accrual is based on full-time continuous employment with the Village. Should an employee voluntarily terminate his employment with the Village and later be re-hired, prior full-time service will not be considered. Should an employee's full-time status be reduced to part-time and later elevated to full time, or the employee be laid off and later recalled, be on an authorized leave of absence or FMLA, prior full-time service will be included.
- C. Full-time employees will be eligible to use accrued vacation leave after six months continuous full-time service with the Village and the successful completion of their probationary period.
- D. If one of the holidays specified in Section 5.3 falls within the employee's vacation week, the employee will be given holiday pay for the holiday and will be permitted to use the vacation leave at another time.
- E. No employee shall be permitted to carry over more than two hundred forty (240) hours of vacation leave from one calendar year to the next. Accrued but unused vacation time in excess of 240 hours existing as of December 31st of any year shall be forfeited except for all accumulated time accrued as of the first effective date of Ordinance 2010-24.
- F. Employees may only use vacation time to replace normally scheduled work hours. Vacation time shall be considered "hours worked" for calculation of overtime compensation, but shall not be used to create or increase an overtime situation. Vacation continues to accrue while the employee is on vacation, personal or sick leave, comp time, administrative leave, or leave of absence less than one month (section 5.9.G). All vacation time must be approved by the employee's Department Head. Vacation Leave of Department Heads must be approved by the Mayor. A vacation request must be submitted no less than two weeks in advance of the vacation leave. (*Amended Ord. 2024-09, eff. 2/20/24*)
- G. Upon retirement or any other employment termination, the employee will be paid for any accrued vacation at his/her current hourly rate, except that an employee who fails to complete the six-month probationary period will not be paid for accrued vacation.
- H. There will be no cash payment for accrued but unused vacation time, except as provided in Section 5.2.G, or, in individual instances, upon affirmative vote of at least two-thirds of the Village Council for good cause shown.

Section 5.3 **HOLIDAYS**

- A. Paid holidays shall be as follows: New Year's Day, Martin Luther King Day, Presidents Day, Memorial Day, Juneteenth (June 19th), July 4th , Labor Day, Veteran's Day, Thanksgiving, the day after Thanksgiving, and Christmas Day. (See Appendix B) (*Amended Ord. 2022-50, eff. 7/20/23*)
- B. In the event a holiday falls on a Saturday it shall be observed on the preceding Friday and if it falls on a Sunday it shall be observed on the following Monday. When a holiday falls on Saturday or Sunday, Village employees that are regularly scheduled to work on that holiday are permitted to take the actual holiday off with the permission of their Department Head rather than the preceding Friday or following Monday. Holiday pay remains a cash payment equal to eight (8) hours of wages for all Village employees.
- C. All full-time employees shall receive eight (8) hours compensation as Holiday pay and said payment should be reflected on the appropriate time sheets. Employees who work on a Holiday will be paid at their regular hourly rate and shall be permitted to take an additional day off with pay within six (6) months.
- D. In cases where an employee is scheduled to work either or both of the days before and after a

holiday, the employee must work the regularly scheduled days in order to receive the holiday pay.

- E. Holiday pay is a fringe benefit and shall be reflected as hours worked on time sheets. (*Amended Ord. 2024-09, eff. 2/20/24*)
- F. Employees will not be paid for holidays which occur during a leave of absence or disciplinary action. If a holiday occurs during a period of sick leave, the employee will be regarded as having taken the holiday and will not be charged for sick leave. A holiday occurring while an employee is on vacation will be counted as a holiday and not as a vacation day.
- G. Other Special Holidays may be allowed without pay or as a vacation day upon advance request of the individual employee. Requests submitted to the department head and/or Council at least one month in advance will, as much as possible, be authorized. Reasonable effort shall be made by the department head or Council to accommodate all requests submitted after that period.

Section 5.4 **SICK LEAVE**

- A. Each regular full-time employee of the Village shall be entitled, for each completed eighty (80) hours of service, to sick leave of four and six-tenths hours with pay. Unused sick leave shall be cumulative.
- B. Sick leave in excess of three (3) days will not be approved unless the employee supplies written documentation signed by a physician.
- C. As of the first effective date of this Ordinance, part-time employees shall no longer accrue sick leave. Unused sick leave previously accumulated to a part-time employee's credit shall be retained by the employee until used or until separation from employment. Should a part-time employee be elevated to full time status, unused sick leave shall remain to that employee's credit.
- D. Consistent with Ohio Administrative Code section 123:1-32-10, the previously accumulated sick leave of an employee who has been separated from the public service may be placed to his credit upon his re-employment in the public service. An employee who transfers from one public agency to another shall be credited with the unused balance of his accumulated sick leave. The responsible administrative authority of the department may require the employee to furnish a satisfactory affidavit, or a certificate from a licensed physician, as to the nature of his illness or other acceptable reason for his absence as provided in this section. No sick leave may be granted to an employee after his or her retirement or termination of employment.
- E. Employees may only use sick time to replace normally scheduled work hours. Sick time shall be considered "hours worked" for calculation of overtime compensation, but shall not be used to create or increase an overtime situation. Sick time continues to accrue while the employee is on administrative leave or leave of absence less than one month (section 5.9.G), but does not accrue during holiday, vacation, personal, sick leave, or comp time taken. (*Ord. 2024-09, eff. 2/20/24*)

Section 5.5 **PERSONAL LEAVE** (*Amended Ord. 2024-09, eff. 2/20/24*)

- A. Each full-time employee is authorized two personal days per year. A reason for this type of leave is not required. Department Heads will authorize personal leave in the same manner as vacation leave. Personal leave will not accumulate from year to year and can only be taken by employees who have completed the probationary period for their original appointment.
- B. A Village "Request for Leave" form must be completed by employee for use of personal leave. Employees may only use personal leave to replace normally scheduled work hours.

Personal leave shall be considered "hours worked" for calculation of overtime compensation, but shall not be used to create or increase an overtime situation.

Section 5.6 **FUNERAL LEAVE**

Each full-time employee who has accrued sufficient paid leave time shall be entitled to three (3) days paid leave in the event of the death of an immediate family member (parent, grandparent, spouse, sibling, child, steps and in-laws, other household member or cohabitant.) Time taken for Funeral Leave will be deducted from the employee's Sick Leave balance by default, unless the employee requests that the Funeral Leave be deducted from his/her Vacation or Personal Leave balance instead. (*Amended Ord. 2012-35, eff. 6/19/12*)

Section 5.7 **COURT LEAVE**

Full-time employees shall be granted leave with pay to serve on a jury when required to do so, but the pay will be reduced by the amount of any compensation received for such service. Compensation for travel or other expenses will not be deducted from the employee's pay. Employee shall give his/her Department Head at least one week's notice of time off that may be needed for Jury Duty.

All employees shall be permitted, without penalty, to honor any subpoenas properly served, if honoring the subpoena requires absence during regularly scheduled work hours. Police personnel shall be governed by the Mantua Police Department's Standard Operating Procedures.

Section 5.8 **MILITARY LEAVE WITH PAY**

- A. The officer or employee of the Village shall be entitled to a leave of absence for a period of not more than thirty-one days in a calendar year for service with the Ohio National Guard, Ohio Defense Corps, Ohio Naval Militia or any other reserve component of the Armed Forces of the United States, and during such leave of absence the officer or employee of the Village shall be entitled to payment by the Village for only that difference between what he/she earns from the military pay and what the officer or employee would have received while employed for that period of time with the Village based upon his or her regular hourly rate. There is no requirement that the service be for one continuous period of time. The maximum number of hours for which payment can be made in any one calendar year is one hundred seventy-six hours.
- B. The purpose of this policy is to allow the Village to credit the military pay earned by that individual towards the pay which that individual would have earned during the leave of absence from the Village, it further being understood that the Village is only obligated to pay the difference between the military pay and that which would have been paid by the Village to that individual.

Section 5.9 **LEAVES OF ABSENCE**

- A. Any employee of the Village, who has been employed for longer than one year may be granted a leave of absence for personal reasons at the discretion of Department Head or Mayor with notification to the appropriate Council Committee.
- B. The leave of absence shall be without pay and the employee shall maintain any benefits he/she desires at his own expense unless otherwise provided in this chapter.
- C. The leave of absence shall be granted for a specific period of time not to exceed six months. An extension may be granted by Council if requested in writing fifteen days prior to the expiration date of the original leave of absence.
- D. Upon timely return from the leave of absence the employee shall be granted employment at his /her original level if it is available or at similar employment if his original position has been filled.
- E. Failure to return from a leave of absence at the specified date will be considered as a resignation.

- F. All approved leaves of absence shall be confirmed in writing to the employee by the Department Head with a copy to the employee's file.
- G. Vacation and sick leave do not accrue on a leave of absence in excess of one month. Vacation allowance is paid at the time of departure on the amount unused and accrued. Any sick days accumulated prior to the leave may be reinstated immediately upon return.
- H. UNIFORMED SERVICE LEAVE WITHOUT PAY: Uniformed Service leave shall be governed by Ohio Administrative Code Section 123:1-34-05

- B. Family Leave
 - 1. Family leave can be taken at the birth of an employee's child or placement of a child into the employee's home for adoption or foster care.
 - 2. For purposes of family leave, the employee must take the leave within (2) months of the qualifying event.
- C. Medical Leave
 - 1. When an absence qualifies for family and medical leave, both the paid and unpaid time off from work will be charged against that entitlement.
 - 2. Medical leave can be taken to care for an immediate family member with a "serious health condition" or for the employee's own "serious health condition."
 - 3. "Serious health condition" is defined as an illness, injury or impairment that requires:
 - a. Inpatient care in a hospital, hospice or residential facility including any period of incapacity or subsequent treatment in connection with inpatient care; or
 - b. Continuing treatment by a health care provider involving any of the following:

 - 4. "Immediate family member" is defined in the Act as a spouse, parent, son or daughter. In-laws are not included.

 - 4. If the Mayor doubts the validity of the certification provided, the Mayor may require, at the Village's expense that the employee obtain the opinion of a second health care provider designated or approved by the Mayor. If the second opinion differs from the original certification, the Mayor may require, at the Village's expense, the opinion of a third health care provider jointly approved by the Mayor and the employee. The opinion of the third provider will be considered final and binding on both parties.
- G. When an employee requests family leave or leave for a planned medical treatment, the employee must give (30) days notice of the date the leave is expected to commence and the anticipated length of the leave. Finally, the employee must provide his/her Department Head with the dates on which medical treatment is expected along with the expected duration of the treatment or the length of time needed to care for a family member.

2. The Mayor may require an employee to transfer temporarily to an available alternative position offered by the Village, if the employee is qualified, the position has equivalent pay and benefits, and the position better accommodates recurring periods of leave than the employee's regular position.

2. No employee may misuse his/her authority over any such computer resources.
3. All computer software, data and information relating to the conduct and operation of the Village are considered proprietary information belonging to the Village and cannot be appropriated, altered, sublicensed, copied or used for other than Village business.
4. No software, data or information may be removed from the Village premises in the form of tape, diskette, print or other media, unless the removal is related to Village business.
5. Passwords are regarded as confidential and may not be given to others. Any suspected loss or misuse of passwords is to be reported immediately to the Department Head who shall also notify the Mayor. If appropriate, disciplinary procedures shall be initiated.
6. All data are public records, unless otherwise specified by law.

I. E-MAIL POLICY

1. Purpose: Electronic mail, Internet and telecommunication access are resources made available to village employees to communicate with each other, other governmental entities, companies and individuals for the benefit of the Village.
2. Policy: The Village of Mantua Electronic Mail System (e-mail) is designed to facilitate village business communication among employees and other business associates for messages or memoranda. Since no computer system is completely secure, the e-mail system is not intended to transmit sensitive materials, such as personnel decisions and other similar information which may be more appropriately communicated by written memorandum or personal conversation.

The e-mail system is village property and intended for village business. The system is not to be used for employee personal gain or to support or advocate for non village-related business or purposes. All data and other electronic messages within this system are the property of the Village of Mantua. E-mail messages have been found to be public records and may be subject to the right-to-know laws, depending on their content.

In addition, the Village, through its Department Heads and supervisors, reserves the right to review the contents of employee's e-mail communications when necessary for village business purposes. Employees may not intentionally intercept, eavesdrop, record, read, alter, or receive other persons' e-mail messages, without proper authorization.

The Village of Mantua, through its Department Heads, purchases, owns and administers the necessary software and licenses to provide access to e-mail and Internet services. Employees may not rent, copy or loan the software, or its documentation. The village has invested much time and money to secure its electronic systems from intrusion and harmful viruses. Therefore, employees may not provide alternative software to access the system. Employees may be held responsible for any damages caused by using unauthorized software or viruses they introduce into the village system. Department Heads are responsible for the implementation and adherence of this policy within their departments.

3. Procedures General Information on Passwords

While you may have a confidential password, users should be aware that this does not mean that the system is for personal confidential communication, nor does it suggest that e-mail is the property right of the employee. The use of the e-mail system is for village business. Passwords should be periodically changed to ensure security of the e-mail system. Users should not share their passwords with anyone else, other than as his or her managers may require.

4. Internet

The Internet provides the village with significant access and dissemination of information to individuals outside of the city. The use of the Internet system for access and dissemination is intended to serve village business. Like all e-mail messages, Internet messages are capable of being forwarded without the express permission of the original author. E-mail messages are also routinely passed through routers before they reach their final destination. A message is "touched" many times before it gets to its recipient, and the message author should be aware of this. Therefore, users must use caution in the transmission and dissemination of messages outside of the city, and must comply with all state and federal laws.

5. Prohibited Uses

When sending e-mail messages, appropriateness and good judgment should be used. The following are examples of e-mail uses that are prohibited:

Communications that in any way may be construed by others as disruptive, offensive, abusive, or threatening;

Communications of sexually explicit images or messages;

Communications that contain ethnic slurs, racial epithets, or anything that may be construed as harassment or disparagement of others based on race, national origin, sex, age, disability or religious beliefs;

Solicitation for commercial ventures, religious or political causes, outside organizations, or other non job-related solicitations; and

Any other use that may compromise the integrity of the village and its business in any way.

6. Retention of E-mail

Generally, e-mail messages are intended to be temporary communications that are non-vital and may be discarded routinely. However, depending on the content of the e-mail message, it may be considered a more formal record and should be retained pursuant to a department's record retention schedules. As such, these e-mail messages are similar to printed communication and should be written with the same care. Each department head is responsible for establishing and maintaining department retention schedules for the information communicated through the e-mail system.

However, employees should be aware that when they have deleted a message from their workstation mailbox it might not have been deleted from the central e-mail system. The message may be residing in the recipient's mailbox or forwarded to other recipients. Furthermore, the message may be stored on the computer's back-up system for an indefinite period. Note that e-mail has been classified as "public" documents, i.e. available to the media, in at least one state. Keep that in mind when you create or store e-mail.

Employees should delete e-mail messages as soon as possible after reading. An accumulation of files will degrade system performance and response times.

7. Applicability to Employees, Part-Time Employees, Contractors, and Other Users

This e-mail policy applies to all public officials, employees, contractors, part-time employees, volunteers, and other individuals who are provided access to the Village's e-mail system. Third parties should only be provided access to the e-mail system as necessary for their business purpose with the village and only if they abide by all applicable rules.

8. Employee Termination, Leave of Absence, Vacation, and Other

Employees who leave employment with the village have no right to the contents of their e-mail messages and are not allowed access to the e-mail system. Supervisors or management may access an employee's e-mail if employees are on leave of absence, vacation, or are transferred from one department to another department and it is necessary for the city's business purposes.

9. Penalties

The misuse of the Internet or e-mail privileges may be considered sufficient cause for discipline in accordance with the Village of Mantua Personnel Policies and Procedures, and/or other applicable rules or laws. In addition, violations of this policy or misuse of the e-mail system may be referred for criminal prosecution.

10. Acceptance

The Village will require employees to read and signify acceptance of the terms of this policy by signing the following agreement before making electronic systems available. (Appendix I)

11. Agreement to E-mail Policy

All employees must read and sign a statement that the employee has read and agrees to abide by the E-mail Policy contained in Section 7.19 et seq. The statement shall read:

"I have read and agree to the specifics as stated in the attached E-mail Policy, which includes the following specifics.

- a. That my use of the e-mail system is for the furthering of the business of this municipality;
- b. That I may not intentionally intercept, eavesdrop, record, read, alter, or receive other persons' e-mail messages without proper authorization;
- c. That I may not use the e-mail system for solicitation of funds, political messages, or harassing messages;
- d. That my e-mail messages and data are the property of [municipality] and may be accessed for review by supervisors; and
- e. That my e-mail will be retained according to the Village Records Retention of policy.

 3. If a Mayor is the subject of the complaint, the complaint shall be filed with the President of Council.

- B. Employees are prohibited from being under the influence of alcohol, behavior altering legal prescription drugs or illegal drugs during work hours. Employees are also prohibited from being under the influence of these substances when they are representing the Village at meetings or in the community. Both employees and Village owned equipment and containers under their control are subject to search and surveillance at all times while on Village premises or while conducting Village business, if the occasion warrants such measures.
- C. An employee who must use prescribed drugs that could impair his/her ability to perform the job duties must report this fact to his/her Department Head along with acceptable medical documentation. A determination then will be made as to whether the employee should be able to perform his/her job safely and properly.

- E. The Village will not knowingly hire an individual who is currently using illegal drugs. Certain specific positions may require pre-employment testing for the presence of such substances. Whenever an employee or applicant for employment in one of those positions must be tested, he/she will be informed of the test requirement in writing before the test is administered.

The Department Head will record his/her observations and any information gathered from the employee.
 4. When the Department Head is not available to observe the suspected employee, the supervisor may determine that there is reason to believe the employee is under the influence of alcohol or illegal drugs. If the Department Head is available to observe and question the suspected employee, the Department Head will determine that there is reason to believe the employee is under the influence of alcohol or illegal drugs.

5. Prior to testing, the employee will be given a written statement documenting the specific objective facts leading to reasonable suspicion. The employee will be given an opportunity to read and understand the reasons for requiring a test and will have an opportunity to respond and/or provide a written statement. The employee to be tested may be accompanied by another Village employee during such an explanation.

- A. Introduction
We are an open government. We welcome participation by our citizens. We believe openness leads to a better informed public, which leads to more transparent government and better public policy. Citizens are entitled to access government records and the Public Records Act should be interpreted liberally in favor of disclosure. (Appendix K)
- B. Hours and Costs *(Amended Ord. 2022-50, eff. 7/20/23)*
You may make public records requests in any Mantua Village Government Office between the hours

of 8:00AM and 3:00PM on weekdays, excluding government holidays.

For copies of public records on 8.5 x 11 inch one sided paper in black ink, the copy cost is five cents per page. CDs are \$1.00. We may require you to pay the estimated copy costs before copies are made. All other media (photos, flash drives, etc.) will be provided at actual cost. If records are mailed to you, we may charge you, in advance, postage and the cost of mailing materials.

C. How To Make A Public Records Request

We will provide prompt inspection of public records and copies of public records in a reasonable period of time. When you make a request, we will ask you to complete a "Public Records Request Form RC 101, (Appendix L)" which will help us locate the records and expedite your request. You are not legally required to fill out the form, identify yourself, or give the purpose of your request. If the records cannot be provided while you wait, we will contact you when the records are available.

D. Definition Of Public Records

Under Ohio law, public records are those items that meet all of the following elements:

1. Any document, device, or item, regardless of physical form or characteristic, including an electronic record;
2. That is created or received by, or coming under the jurisdiction of a public office; and
3. That documents the organization, functions, policies, decisions, procedures, operations, or other activities of the office. This does not include records kept for our administrative convenience.

You may ask for a copy of our records retention schedule, which will familiarize you with the types of records available.

E. Records That Will Not Be Released

Under Ohio law, some records that meet the above three elements will still be withheld from release because state or federal law makes the record confidential. Some commonly-requested records that are confidential include:

1. Attorney-client privileged information and trial preparation records
2. Social Security numbers
3. Records of ongoing investigations
4. Medical records
5. BMV records
6. Records that a judge ordered to be sealed per a statute

We will not provide copies of public records that we create or receive after your original request is completed.

Section 7.20 **Acceptance of Gifts and Gratuities**

An employee may not accept gifts, gratuities, or loans from organizations, business concerns, or individuals with which he/she has official relationships of business with the Village. These limitations are not intended to prohibit employees from accepting articles of negligible value, which are widely distributed to the general public nor from accepting social courtesies, which promote good public relations. It is particularly important that village employees guard against relationships, which might be construed as evidence of favoritism, coercion, unfair advantage, or collusion. The securing of a loan by an employee from a financial institution doing business with the Village does not constitute a conflict of interest.

Section 7.21 **Fragrance-Free Workplace Policy** (Ord. 2024-13, eff. 2/20/24)

A fragrance-free environment promotes a safe and healthy workplace. Products and chemicals related but not limited to personal care, hygiene, air freshening, and cleaning can emit fragrant or aromatic properties which adversely affect a person's health. People with allergies and asthma report certain odors, even in small amounts, can cause asthmatic symptoms, headaches, upper respiratory symptoms, shortness of breath, and difficulty with concentration. The Village of Mantua recognizes the hazards caused by exposure to scented products and chemicals and is dedicated to providing a safe and healthy workplace; therefore, the Village of Mantua aims, whenever possible, to maintain a fragrance-free environment for all employees and visitors. The Village of Mantua will work to follow best practices to limit employee exposure to aforementioned products and chemicals, and will expect property management to ensure, whenever possible, that the workplace is free from fragrance, and that all persons who enter or engage with Village properties observe this policy.

A. Policy

1. The Village of Mantua expects all offices and spaces used by employees and visitors to remain free from scented products.

CHAPTER 8

Section 8.1 **EMPLOYEE COMPLAINT PROCEDURE**

- A. A complaint is any disagreement with management about the employment relationship. A formal complaint exists when an informal resolution to a dispute cannot be achieved, and the employee making the complaint has submitted a written complaint to his/her Department Head.
- B. Complaints are to be settled at the earliest possible step of the procedure. The employee must proceed through each step of the complaint procedure in proper order and within the prescribed time limits. Where a complaint cites issues of law that the individual hearing the complaint cannot address, the complaint will be sent to the Solicitor's office for an opinion before proceeding. All time limits stated in this procedure will be held in abeyance until a response from the Village Solicitor is received. A complaint regarding alleged violations of Civil Rights (discrimination on the basis of race, age, religion, sex, sexual orientation, national origin or disability) should be brought to the attention of the Department Head.
- C. Nothing in this policy is intended to deny an employee any rights available by law, including the right to appeal to the Ohio Civil Rights Commission, the Equal Employment Opportunity Commission, or any court of competent jurisdiction. However, if the employee elects to file a complaint on a matter over which another appeals body has jurisdiction, it is the employee's responsibility to meet the criteria for filing with that appeals body.
- D. A complainant may be accompanied by (1) other Village employee during any meetings held to resolve the complaint.
- E. A written complaint must state the reason for the complaint and the requested resolution.
- F. Complaints will not be made a part of an employee's personnel file.
- G. The following procedure will be followed in processing a complaint:
 - 1. Informal Resolution: Within (5) workdays of the event prompting the complaint, the employee must meet with his/her Department Head to try to resolve the issue.
 - 2. Level One: If the issue is not successfully resolved through the informal resolution step, the employee may, within (5) workdays of the informal resolution meeting file a written complaint with his/her Department Head. The Department Head will reply in writing to the written complaint within (5) workdays of its receipt.
 - 3. Level Two: If the Level One response is not acceptable, the employee may, within (5) workdays of its receipt, appeal in writing to the Mayor. The Mayor will respond in writing within (5) workdays of receipt of the appeal.
 - 4. Level Three: The decision of the Mayor may be appealed to the Village Council within (5) work days of receipt by the employee. The Village Council will review the written documentation and responses and conduct a further investigation, if necessary. The Village Council will submit their written decision within (30) workdays following the conclusion of the investigation. The decision of the Village Council will be final.
- H. When management does not respond within the established time limits, the employee may appeal the complaint to the next level. When an employee does not appeal within the established time limits, the complaint is deemed settled with the last management response.

(Complaint Form: Appendix G)
- B. All complaints will be investigated.
- C. The Mayor will notify the Village Council whenever a citizen complaint is filed and keep them informed of the progress of the investigation and disposition of the complaint. The Mayor may assign an individual to investigate the complaint.
- D. The individual conducting the investigation may include the following in his/her investigation:
 - 1. Documentation of the date and time of the complaint and the complainant's name, if available.
 - 2. Documentation of an interview with the complainant, if conducted.
 - 3. An interview with the accused employee. The employee may be required to prepare a written, signed statement.
 - 4. An interview with each witness or other person involved in an incident, with written, signed statements, if appropriate.
 - 5. Compilation of all written and material documentation or evidence of the allegation.
- E. The individual conducting the investigation shall prepare a written report of the findings of the investigation.
 - 1. If the alleged conduct is found to have occurred, the report is to include the recommended charge and appropriate disciplinary action pursuant to Section 9.1. The report and all documentation are to be submitted to the Mayor.
 - 2. If the alleged conduct is found not to have occurred, or not to be in violation of Village policies and procedures, the report should recommend that the employee be cleared of any misconduct.
- F. Based upon the final recommendation, the employee's Department Head will notify the employee that he/she has been cleared of misconduct or initiate appropriate disciplinary action pursuant to Section 9.1.
- H. Any misconduct found to have occurred shall be made a part of the employee's personnel file.
- H. Should any statement against an employee prove to have been false or untrue, the employee has the right to file a civil suit against the complainant making such statement. - C. The progressive discipline policy is established as a guide for Department Heads to use in administering discipline in a uniform manner. The discipline policy in no way alters the at will status of employees.
- D. This policy provides standard penalties for specific offenses; however, the examples of specific offenses given in any grouping are not all-inclusive, and merely serve as a guide.
- E. The standard penalties provided in this policy do not prevent the application of a greater or less severe penalty for a given infraction when circumstances warrant. In instances where a penalty deviates from the recommended standard penalty, the reason for deviation should be noted.
- F. Different offenses within the same group and related offenses within different groups will be disciplined progressively (that is, each incident will be disciplined at the next higher level).
- G. Unrelated offenses in different groups will be considered individually.
- H. A disciplinary action will remain active in the progression of discipline for (24) months. After (24) months the disciplinary action will become inactive in the progression of discipline (i.e., treated as if it didn't happen), if there has been no subsequent disciplinary action. A. HEALTH CARE BENEFITS CONTINUATION (COBRA)

In certain instances, employees and their families have the right to temporarily extend their health care benefits at group rates.

1. An employee covered by the Village's health care plan has a right to choose this continuation coverage if he/she would lose group coverage because of:
 - a. A reduction in hours of work below the minimum required for eligibility under the plan, or;
 - b. Termination of employment for any reason other than gross misconduct.
2. An employee's spouse and dependent children covered by the Village's health care plan have the right to continuation of coverage if group health care coverage under the Village's plan would be lost due to a "qualifying event" such as:
 - a. Death of the employee,
 - b. Termination of the employee's employment for any reason other than gross misconduct,
 - c. Reduction in the employee's hours of work below the minimum required for eligibility under the plan,
 - d. Divorce or legal separation,
 - e. Employee becoming entitled to Medicare, or
 - f. Dependent child ceasing to be a "dependent child" under the terms of the Village's health care plan.
3. Any person who is covered under the employee's plan on the day before a qualifying event, and who will lose coverage, will be considered a "qualified beneficiary."
4. If the qualified beneficiary does not choose continuation coverage, group health care coverage will end.
5. Qualified beneficiaries need not show they are insurable in order to qualify for continuation coverage.
6. Qualified beneficiaries must pay the Village's COBRA administrator the full premium at applicable rates. Late payments may result in loss of coverage.
7. Questions about this policy may be directed to the Fiscal Officer.
8. Employees are responsible for notifying the Fiscal Officer of any change in status including, for example, marital status, dependent status or residence.

9. The following procedure will be used for notifying employees of COBRA rights:
 - a. Each employee will be notified of his/her COBRA rights at the time he/she begins coverage under the Village's health care plan.
 - b. Spouses of all covered employees will be notified of this policy and its provisions at the time family or spouse coverage begins under the Village's health care plan.
 - c. Notification of an employee's spouse will be deemed to serve notice on all dependent children.
 - d. Within (30) days, the Fiscal Officer will notify the Plan Administrator of any of the following "qualifying events":
 - Employee's death,
 - Employee's termination,
 - Employee's reduction in hours, making him/her ineligible for benefits,
 - Employee's eligibility for Medicare.
 - e. Within (60) days, a qualified beneficiary is responsible for notifying the Plan Administrator of any of the following "qualifying events":
 - Divorce,
 - Legal separation,
 - Loss of dependent eligibility under the plan requirements (age or student status).
 - f. The employee/beneficiary/dependent must notify the Plan Administrator of his/her decision to extend benefits within (60) days of the qualifying event or the date of eligibility notice, whichever is longer.

B. Under certain circumstances, an employee or his/her beneficiaries may be entitled to disability or survivor benefits. Eligibility, benefits and procedures are available directly from the retirement systems.

C. SICK LEAVE CONVERSION UPON RETIREMENT

An employee who retires from the service of the Village, under OPERS or PFDPF, after ten years of cumulative employment with the State, any political subdivisions, or any combination thereof, may choose to be paid in cash for one-fourth the value of his/her earned but unused sick leave credit. The maximum payment for unused sick leave may not exceed (30) days or an amount of not less than one-fourth of the value of unused sick leave, up to a maximum of 30 days pay. Payment will be at the employee's current rate of pay and will eliminate any sick leave balance.

D. Upon separation from employment, an employee must meet with the Department Head to process paperwork.

E. The Department Head will inform the employee of all termination benefits, verify forwarding addresses for the employee and any dependents and get necessary signatures.

F. The employee will relinquish all identification cards, equipment and keys and account for all Village property under his/her authority. The final paycheck will be issued after this process has been completed. The Department Head is responsible to delete accessibility to access codes. (*Amended Ord*

2022-50, eff. 7/20/23)

- G. If the separation is voluntary, the employee may be asked to participate in an exit interview and discuss his/her Village employment experience during the exit interview. Information gathered in exit interviews will be used to evaluate Village practices and identify areas requiring action to make the Village a more attractive employer.

Village of Mantua Public Records Request

(Amended Ord. 2021-60, eff. 12/21/21; Ord. 2022-50, eff. 7/20/23)

Public Records Requests

The Village of Mantua Government belongs to the citizens of Mantua Village. We conduct our government activities in the open, and we are proud of our strong commitment to this important principle of democracy.

If you would like to request public records, you can make a request in writing any time. A written request is not mandatory, but it will help us provide the public records you are requesting in a more timely fashion. You may also keep your identity private if you prefer.

If you want to inspect a record, there is no charge, but it must be done on Village property when the record is available and during regular business hours of 8:00 am to 3:00 pm, Monday through Friday. There is no charge if you would like the record emailed to you. If you are requesting paper copies, the cost is \$0.05 per single-sided page. The cost of a CD is \$1.00 (one dollar). All other media (photos, flash drives, etc.) will be provided at actual cost. If you want something mailed to you, postage costs are assessed at actual cost. The employee handling the request will figure the total cost for you. Advance payment may be required before your request is fulfilled.

We will do everything possible to fulfill your request in a reasonable amount of time. If the request is for an older record or a large request, it may take some time to locate and prepare the response to your request. The proper subject of a public records request is a record that actually exists at the time of the request; the Village has no duty to create a record to respond to a request, nor to provide records that were not in existence at the time of the request or that the Village does not possess, including records that later come into existence.

If you need more details on our records policy, please ask, and we will be happy to show you or answer your questions.

- (D) If an appointing authority takes any disciplinary or retaliatory action against a classified or unclassified employee as a result of the employee's having filed a report or complaint under division (A) of this section, the employee's sole and exclusive remedy, notwithstanding any other provision of law, is to file an appeal with the state personnel board of review within thirty days after receiving actual notice of the appointing authority's action. If the employee files such an appeal, the board shall immediately notify the employee's appointing authority and shall hear the appeal. The board may affirm or disaffirm the action of the appointing authority or may issue any other order as is appropriate. The order of the board is appealable in accordance with Chapter 119. of the Revised Code.
