Village of Mantua

# STATEMENT OF PURPOSE

The Village Council, being mindful of the proud history of this community, hereby declares as a matter of public policy that the preservation, protection, perpetuation and use of areas, places, buildings, structures, works of art and other objects having a special historical, community, or aesthetic interest or value is a public necessity and is required in the interest of health, prosperity, safety, and welfare of the people. The purposes of this chapter are:

- A. To maintain and enhance the distinctive character of the historic resources of Mantua by establishment of procedures whereby certain areas, places, buildings, structures and works of art which reflect elements of the Village's cultural social, economic, political, or architectural history shall be allowed that measure of protection afforded by a thorough study of alternatives to incompatible alterations or demolition before such acts are performed.
- B. To contribute to the economic, recreational, cultural and educational development of the Village by:
  1. Fostering civic pride in the beauty and notable accomplishments of the past;
  2. Promoting the use and preservation of historic sites and structures for the education and general welfare of the people of the Village;
  3. Enhancing the visual and aesthetic character, diversity and interest of the Village;
  4. Facilitating the rehabilitation and revitalization of certain older neighborhoods and areas;
  5. Protecting and enhancing attractions to residents, tourists and visitors;
  6. Stabilizing and improving property values; and
  7. Stimulating business and attracting development.
