**Re: S.R. 44 and Orchard Street Intersection Widening
Bid Results**

Dear Mayor and Council Members:

One bid was received for the above referenced project on July 17, 2020 and attached you will find a copy of the Bid Tabulation outlining the bid for your review. The bid was \$55,929.00 for Contract A – Concrete Pavement and \$52,924.00 for Contract B – Asphalt Pavement as compared to the Opinion of Probable Construction Cost of \$61,000.00.

The bidder for this improvement is NES Corp. of Cleveland, Ohio. Their bid sheet for Contract B had an error in the total but not in the line item extensions. We have spoken with the contractor and he is comfortable with the figures and corrected total. The remainder of the bid documents have been reviewed and found to be in conformance with all contract requirements. It is our opinion that they are experienced and qualified to perform the work within the contract.

Should you have any questions or require additional information, please feel free to contact our office.

Respectfully,

CT CONSULTANTS, INC.

Richard J. Iafelice, P.E.
